GENERAL INVESTIGATIVE DIVISION

August 1973

The Criminal Division of the Department has requested investigation of possible violations of the Federal Election Campaign Act of 1971 (FECA 1971) by J. B. Stoner who was a Georgia primary candidate for the Senate in 1972. The Department has advised that the reports of campaign expenditures submitted by Stoner to the Secretary of the Senate fail to follow the standards set forth in the FECA 1971. Investigation is requested of the Bureau to determine if Stoner received contributions or made expenditures to further his campaign during the period 6/1/72 - 8/8/72.

Stoner is an Atlanta, Georgia, attorney who is national chairman of the National States Rights Party (NSRP). The NSRP is headquartered in Atlanta and is an anti-Negro, anti-Semitic, white racist party composed of past members of Klan - type organizations and other right-wing groups.

Investigation being ordered.

TO : Director, Federal Bureau
of Investigation

DATE: August 7, 1972

FROM: Henry E. Petersen
Assistant Attorney General

SUBJECT: Matter of J.B. Stoner 2 U.S.C. 434 (b)

On November 28, 1972, the Assistant Secretary of the Senate referred to this office possible violations of the Federal Election Campaign Act of 1971 by Mr. J.B. Stoner, a Georgia primary candidate for the Senate.

Attached is a copy of the investigation file concerning J.B. Stoner including all reports filed by Stoner.

It is noted that the June 10th Quarterly Report apparently conforms to Section 304(b) of the Federal Election Campaign Act of 1971, 2 U.S.C. 434 (b). It is also apparent that the remaining reports fail to follow the applicable standards set forth in Section 304(b).

These latter reports could involve violations of 304(b) should it be found that Stoner received contributions or made expenditures in the period from May 31, 1972 to August 8, 1972.

Accordingly, in order to assist this Division to determine whether such violations have occurred, the Bureau is requested to conduct an investigation to ascertain if Stoner received contributions or made expenditures to further his campaign for the Senate during the period from June 1, 1972 to August 8, 1972.

It is not necessary that the Bureau obtain a complete listing of all such contributions and expenditures. The foregoing investigation may be confined to a representative sampling of any such transactions.

Dear Sir:

I am hereby making this letter an Exhibit and a part of my attached and verified RECEIPTS AND EXPENDITURES REPORT. I am a candidate for the United States Senate in the Georgia Democratic Primary election of August 8, 1972.

The Federal Election Campaign Act of 1971 is unconstitutional because it violates the First, Fourth, Fifth, Sixth, Eighth, Ninth and Tenth Amendments to the United States Constitution. In doing so, said Act discriminates against poor White candidates like me and in favor of the rich candidates and those candidates supported by money, thereby depriving me of due process of law and other rights and privileges. For instance, said Act authorizes artificial persons known as corporations to coerce their employees into giving them money for special political funds controlled by the corporations which can be used to support candidates to whom the employees are opposed. Said Act, among other things, takes political power from the people and gives it to the persons with the money power.

Senator David Gambrell of Georgia voted for said Act and I heard him say at a meeting at the Marriott in Atlanta that said Act is "cumbersome."

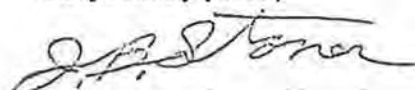

It would be necessary for a candidate to be rich enough to have a CPA and a staff of book-keepers to be able to comply with the Act without unknowingly violating it.

The Act is a rich man's law because, except for a few areas such as television, radio and newspapers, there is no limit on how much money a candidate can raise and no limit on how much money he can spend. The Act also fails to take into account the value of the news coverage that the news media give to the candidates of their choice, and how the news media fail to report news about candidates that they oppose.

A poor White candidate like J. B. Stoner cannot have time to campaign and still give the detailed information required by said Act because to give such information would risk a violation of the Act.

Therefore, on the attached and verified RECEIPTS AND EXPENDITURES REPORT, I am invoking my rights and privileges under the First, Fourth, Fifth, Sixth, Eighth, Ninth and Tenth Amendments to the United States Constitution on every line and in every place that is provided for me to give information and respectfully refuse to give any information. This is the only way that I can be certain of not violating said Act.

Respectfully yours,

J. B. Stoner

HONORABLE FRANCIS R. VALEO

DEAR SIR:

I AM HEREBY MAKING THIS LETTER AN EXHIBIT AND A PART OF MY ~~SEE~~ ATTACHED AND VERIFIED RECEIPTS AND EXPENDITURES REPORT. I AM A CANDIDATE FOR THE UNITED STATES SENATE IN THE GEORGIA DEMOCRATIC ~~RRXXXX~~ PRIMARY ELECTION OF AUGUST 8, 1972.

THE FEDERAL ELECTION CAMPAIGN ACT OF 1971 IS UNCONSTITUTIONAL BECAUSE IT VIOLATES THE FIRST, FOURTH, FIFTH, SIXTH, EIGHTH, NINTH AND TENTH AMENDMENTS TO THE UNITED STATES CONSTITUTION. IN DOING SO, SAID ACT DISCRIMINATES AGAINST POOR WHITE CANDIDATES LIKE ME AND IN FAVOR OF THE RICH CANDIDATES AND THOSE CANDIDATES SUPPORTED BY MONEY, THEREBY DEPRIVING ME OF DUE PROCESS OF LAW AND OTHER RIGHTS AND PRIVILEGES. FOR INSTANCE, SAID ACT ~~AMXORXZZZ~~ AUTHORIZES ARTIFICIAL PERSONS KNOWN AS CORPORATIONS TO COERCE THEIR EMPLOYEES INTO GIVING THEM MONEY FOR SPECIAL POLITICAL FUNDS CONTROLLED BY THE CORPORATIONS WHICH CAN BE USED TO SUPPORT CANDIDATES TO WHOM THE EMPLOYEES ARE OPPOSED. SAID ACT, AMONG OTHER THINGS, TAKES POLITICAL POWER FROM THE PEOPLE AND GIVES IT TO THE PERSONS WITH THE MONEY POWER.

SENATOR DAVID GAMBRELL OF GEORGIA VOTED FOR SAID ACT AND I HEARD HIM SAY AT A MEETING AT THE MARRIOTT IN ATLANTA THAT SAID ACT IS "CUMBERSOME."

IT WOULD BE ~~XXX~~ NECESSARY FOR A CANDIDATE TO BE RICH ENOUGH TO HAVE A CPA AND A STAFF OF BOOKKEEPERS TO BE ABLE TO COMPLY WITH THE ACT WITHOUT UNKNOWINGLY VIOLATING IT.

THE ACT IS A RICH MAN'S LAW BECAUSE, EXCEPT FOR A FEW AREAS SUCH AS TELEVISION, RADIO AND NEWSPAPERS, THERE IS NO LIMIT ON HOW MUCH MONEY A CANDIDATE CAN RAISE AND NO LIMIT ON HOW MUCH MONEY HE CAN SPEND. THE ACT ALSO FAILS TO TAKE INTO ACCOUNT THE VALUE OF THE NEWS COVERAGE THAT THE NEWS MEDIA GIVE TO THE CANDIDATES OF THEIR CHOICE, AND HOW THE NEW MEDIA FAIL TO REPORT NEWS ABOUT CANDIDATES THAT THEY OPPOSE.

A POOR WHITE CANDIDATE LIKE J.B. STONER CANNOT HAVE TIME TO CAMPAIGN AND STILL GIVE THE DETAILED INFORMATION REQUIRED BY SAID ACT BECAUSE TO GIVE SUCH INFORMATION WOULD RISK A VIOLATION OF THE ACT.

THEREFORE, ON THE ATTACHED AND VERIFIED RECEIPTS AND EXPENDITURES REPORT, I AM INVOKING MY RIGHTS AND PRIVILEGES UNDER THE FIRST, FOURTH, FIFTH, SIXTH, EIGHTH, NINTH AND TENTH AMENDMENTS TO THE UNITED STATES CONSTITUTION ON EVERY LINE AND IN EVERY PLACE THAT IS PROVIDED FOR ME TO GIVE INFORMATION AND RESPECTFULLY REFUSE TO GIVE ANY INFORMATION. THIS IS THE ONLY WAY THAT I CAN BE CERTAIN OF NOT VIOLATING SAID ACT.

Dear Mr. Stoner:

This office has been advised by the Secretary of State of your State of the names of candidates for the United States Senate.

This is to advise you that Sec. 304(a) of the Federal Election Campaign Act of 1971, requires that "each treasurer of a political committee...and each candidate..." for the U. S. Senate shall file with this office reports of receipts and expenditures on dates specified.

Therefore, if you are now or have been since April 7, 1972 a candidate for the U. S. Senate, you should file with us Senate Election Form #2 (blue form) appropriately executed and duly sworn. Candidates whose finances are being handled wholly by committees may simply add a statement to that effect in the space provided for oath and affirmation on Form #2.

In addition, all committees active in your behalf should, if they have not already done so, register with this office using Senate Election Form #1 and file reports of receipts and expenditures using Senate Election Form #3 with attached schedules.

Sec. 304(a) specifies that reports of candidates and committees must be filed periodically on June 10, September 10, January 31 and March 10, and also five and 15 days before any election, including primaries and runoffs, in which the candidate runs.

Such reports should continue to be made by a candidate until such time as he ceases to receive contributions or make expenditures in connection with an election and by a committee until such time as it may disband or determine it will no longer receive contributions or make expenditures in excess of \$1,000 in the calendar year. Termination should be indicated on line (d) of both the candidate and committee report forms, and committees also should notify the Secretary of the Senate by letter as required by Sec. 303(d).

Late filings will be made a matter of public record along with any letter of explanation that you may choose to submit. I am sending you a supply of the forms necessary for compliance with the law.

Sincerely yours,

Francis R. Valeo
Secretary of the Senate

WILSON ADAMS, Director of Advertising, Rome News Tribune Newspaper, Rome, Georgia, advised as follows:

Pursuant to provisions of the Federal Election Campaign Act, he maintains on file all correspondence from and to candidates with regard to political advertising, this being the case with J. B. STONER during STONER's campaign for the United States Senate in 1972.

His records contain a letter dated April 6, 1972, bearing the letterhead of the J. B. STONER Campaign, 591 Cherokee Street, Post Office Box 1211, signed J. B. STONER, enclosing a copy of a display ad to be placed in the Rome News Tribune April 10, 1972, and enclosing a \$42.00 check to cover the cost. The ad bore the notation that it was a paid political advertisement and called for the election of STONER for the U. S. Senate.

In answer to the above letter he directed a letter over his signature on Rome News Tribune letterhead stationery, dated April 7, 1973, to J. B. STONER at the Cherokee Street, Marietta, Georgia, address returning STONER's \$42.00 check and advertising copy advising STONER that under the new Federal Election Campaign Act (Public Law 92-225) the Rome News Tribune was prohibited from running STONER's advertisement and calling his attention to Part 4 of the act regarding certification.

By letter dated April 14, 1972, again on STONER Campaign letterhead, signed by J. B. STONER, STONER mailed to the Rome News Tribune and Mr. ADAMS a certification, the advertising copy, and the \$42.00 check, asking again that the ad be run. As all appeared to be in order the ad was run in the April 18, 1972, Tuesday edition of the Rome News Tribune, a page of this newspaper being made available by Mr. WILSON ADAMS.

Mr. ADAMS produced a microfilm record of Page 2 of the Monday, July 24, 1972, Rome News Tribune Newspaper, there being printed thereon a political advertisement of J. B. STONER calling for his election to the United States Senate, bearing his picture, with the contents of the article exposing Senator

GAMBRELL's voting record in the Senate as well as including a form at the bottom of the advertisement for cutting out and mailing in to STONER Campaign Headquarters, for copies of "The Thunderbolt" and other STONER campaign literature. Mr. ADAMS advised the above July advertisement was furnished the Rome News Tribune by STONER by mail along with a check for \$54.60, cost of the publication of the above ad, both the ad and check submitted with a certificate of publication dated July 17, 1972, typed on STONER Campaign letterhead stationery, signed J. B. STONER and stated as follows, "I do certify that the proposed advertisement for publication in the Rome News Tribune on the 24th day of July, 1972, of \$54.60 does not violate the expenditure limitations of Candidate J. B. STONER for the office of United States Senator under the Federal Election Campaign Act of 1971."

Mr. ADAMS exhibited through Mrs. LEAH DAVENPORT a ledger book called by them the "Political Book" in which is recorded each candidate's payment to that newspaper for political advertisement, specifically exhibiting the ledger page for J. B. STONER which revealed entries April 17, 1972, of \$42.00 and July 24, 1972, of \$54.60, payments received by the Rome News Tribune from J. B. STONER for political advertisements. STONER's account reflected a \$1.00 balance owed the Rome News Tribune by STONER for including STONER's photograph in the July 24, 1972, newspaper.

Mr. ADAMS advised the records do not reflect nor does he have knowledge of any contributions or contributors to STONER and his campaign.

Special Agent AUGUST W. BULFER viewed these advertisements, after which it was determined the advertisements were of a political nature and they read as follows:

"STONER EXPOSES GAMBRELL
GAMBRELL'S CIVIL
RIGHTS RECORD!
Voted Against White Working People
Voted For 1972 Civil Rights Law

"Sen. Gambrell is the first Georgia senator in memory to ever vote to cut off a Southern filibuster so as to force through another Civil Rights law against White working people throughout the nation. Gambrell voted to take jobs from Whites and give them to blacks. David Gambrell, the appointed senator from a multimillionaire family, voted to amend and strengthen the civil rights employment law by forcing formerly exempt state and local governments and educational institutions to replace White workers with negroes and to upgrade them accordingly.

"Gambrell also voted to place all firms and unions with 15 or more employees under the EEOC which forces employers to hire and promote negroes instead of Whites and gave more enforcement powers to the EEOC. Gambrell is now 'Mr. Civil Rights' along with Humphrey and McGovern who voted with Gambrell. Gambrell's

Civil Rights law means that the states, counties and cities will be forced to hire negroes in preference to Whites as policemen and firemen and in all other positions until the negroes hold a quota of nearly one-third of all those jobs. Gambrell is forcing all employers to hire more negroes which means less jobs for Whites. Gambrell is an enemy of the White working people. Gambrell is the rich man's candidate for senator who represents big business and the big corporations. As a lawyer, Gambrell specialized in tax exempt bonds which provide the rich with tax free income while we poor people are soaked with taxes. That is why Gambrell is against tax reform.

**"VOTE STONER FOR U.S. SENATOR
THE WHITE PEOPLE'S CHOICE**

"Elect J. B. Stoner, the White People's candidate, to the U.S. Senate and he will fight to repeal all of the civil rights laws including the one that was forced on us by Gambrell. Stoner fights to protect White working people from Gambrell and his rich race-mixing establishment crowd."

NOTE: The subject, J. B. Stoner, is an Atlanta, Georgia attorney and national chairman of the National States Rights Party (NSRP). NSRP headquartered in Atlanta and is anti-Negro, anti-Semitic, white racist party composed of past members of Klan-type organizations and other right-wing groups.

We previously conducted limited investigation at request of the Department in August 1972 concerning possible violations of the Federal Election Campaign Act of 1971 by Stoner, who was a Georgia primary candidate for the Senate in 1972. Stoner allegedly failed to properly report campaign expenditures to the Senate. Our investigation determined Stoner placed political advertising in several Georgia newspapers in June and July 1972 and had purchased radio "spots" at Jesup, Georgia, in May and July 1972.

The Criminal Division, by memorandum 3/22/74, has requested additional limited investigation to determine the details of political advertising by Stoner through a canvass of radio and television stations located in Atlanta, Macon, Augusta, Columbus, Albany, and Savannah, Georgia and Chattanooga, Tennessee. The Department has advised that reports filed with the Senate by the subject, Stoner, failed to reflect any of the alleged expenditures incurred at the various radio and television stations.

SUBJECT: Matter of J. B. Stoner; 2 U.S.C. 434, 441.

Reference is made to Bureau memoranda dated August 31, 1973 and September 4, 1973, setting forth the results of investigation requested by this Division to identify contributions made to, and expenditures made by, subject Stoner in connection with his campaign for the 1972 Senatorial nomination from Georgia.

Attached hereto is a copy of a newspaper article written by William L. Chaze which appeared in the "Washington Post" on August 3, 1972, indicating that subject Stoner expended several thousand dollars to purchase radio and television time shortly before the 1972 Georgia Democratic Primary. This article was brought to our attention by David A. Brody of the Washington, D. C. Office of the Anti-Defamation League, 640 Rhode Island Avenue, N. W., Washington, D. C. Our review of the reports filed with the Secretary of the Senate by Stoner fail to reflect any of the expenditures mentioned in the article.

Accordingly, in order to assist this Division in this matter the Bureau is requested to conduct a canvas of radio and television stations located in the cities mentioned in the Chaze article, and those stations specifically mentioned in the article, to ascertain:

1. Whether Stoner placed political advertising with each such licensee;
2. The date on which any such advertising was ordered, the date on which Stoner ads were aired, the date on which Stoner paid for said ads, and the amount of said payment;
3. Copies of the texts of political ads placed by Stoner which were aired by each licensee, if available; and
4. Copies of appropriate documentation from licensees which carried Stoner advertising pertaining to the purchase of, and payment for, said ads.

Atlanta Media Asked to Bar Racist Ads

By William L. Chaze
Associated Press

ATLANTA, Ga., Aug. 2—Citing a "clear and present danger" to Atlanta, Mayor Sam Massell appealed to local news media today to reject the political advertising of a U.S. Senate candidate who is an avowed white supremacist.

The candidate, Democrat J. B. Stoner, vowed to continue the advertising. And the radio and television stations which carried the spots said that they must continue to do so under the Federal Communications Act.

Stoner's first advertisements ran Tuesday over radio station WPLO and WSB-TV. Only broadcast advertising was involved.

"I am the only candidate for the U.S. Senate for white people," said Stoner in his taped spots. "The main reason why niggers want integration is that niggers want our white women. I am for law and order. You can't have law and order and niggers."

The stations and Mayor Massell's office were deluged with protesting telephone calls.

J. B. STONER

"... for white people"

"No right of censorship exists in the City of Atlanta and this executive order is not an attempt to censor language but is issued for the purpose of avoiding possible injury and death to the citizens of Atlanta and the destruction of property," said Massell.

He said protests had been lodged by the Anti-Defamation League, the National Associa-

tion for the Advancement of Colored People, and the Atlanta Community Relations Commission.

A WSB-TV spokesman said Stoner had booked 21 of the spots to run between Aug. 1 and Aug. 7 at a cost of \$3,000. WPLO said it sold Stoner time for 20 spots spread over five days, ending Saturday.

"Under the law, it is illegal to censor a paid political advertisement," said a WSB-TV executive. "That must be our position. It is a tough one. If you censor in one case, you're stepping on free speech in another. I don't know how you draw the line."

Both stations said they deplored the ads.

An FCC spokesman in Washington confirmed that under present regulations a broadcaster may not censor paid political ads.

He said, however, that an FCC ruling on the Atlanta case will be made "shortly," possibly Thursday. The ruling will come on a complaint filed by the Atlanta NAACP.

Stoner, one of 15 candidates in next Tuesday's senatorial primary, charged that Massell "is trying to interfere with my right to free speech."

"I've got a right to express my feelings on the racial issue and nobody can abridge it," said Stoner, who serves as head of the National States Rights Party. He also publishes a white supremacist newspaper, "Thunderbolt."

He said that Massell is "trying to get the stations to violate the law."

Stoner said he had wired all of the stations carrying his advertisements to tell them not to heed Massell.

The senatorial seat he seeks is held by Sen. David Gambrell of Atlanta. Stoner ran unsuccessfully for governor in 1970 as the "white folks candidate."

FCC's Ruling Favors Stoner on Racist Ads

By PRENTICE PALMER
and DAVID NORDAN

Citing a lack of evidence of a "clear and present danger," the Federal Communications Commission (FCC) Thursday declined to give Georgia radio and television stations the right to refuse to air vitriolic commercials from U.S. Senate candidate J. B. Stoner.

The FCC commissioners, in a ruling handed down in Washington Thursday, said such action would be in violation of previous U.S. Supreme Court rulings and amount to an infringement upon the First Amendment rights of the white supremacist candidate.

The commission said contrary to claims that Stoner's commercials—which constantly refer to "niggers"—are inciting Georgia blacks to possible racial violence, there was no evidence that the ads present a "clear and present danger" of such an outbreak.

The complaint had been filed with the FCC by Atlanta NAACP president Lonnie King in an effort to get the FCC to give stations the right to refuse Stoner's advertisements.

UNDER EXISTING law and on the basis of Supreme Court decisions, radio and television stations may not refuse to air paid advertising for one candidate if they have accepted ads from another. Then, once they have sold the time to the candidate, they may not restrict or edit what he says.

It is felt that giving stations this authority would be, in effect, giving them the right of censorship of a candidate's views.

Atlanta Mayor Sam Massell had issued an executive order asking Atlanta radio and television stations to stop carrying Stoner's ads. The stations had said they could not, and their positions were verified by the Thursday FCC ruling.

Citing numerous court decisions in their ruling, the commission members said no such restraint can be effected "except where (the commercials) are directed to inciting and inducing imminent lawless activity and/or (are) likely to produce such activity."

They said despite the nature of Stoner's advertisements,

the NAACP had failed to prove such violence and lawless activity would be a certain result of the ads.

The commission said there may be cases where speeches and advertisements are so interlarded with violent overtones that prior restraint might be warranted. But they said such prior restraint "bears heavy pressure against its own constitutional validity."

THE COMMISSION also pointed out that if it granted the request of the NAACP, it would have a tendency to establish a precedent where any candidate could be prevented from expressing his views simply on the basis of claims that they might incite violence or lawless activity.

Stoner called the ruling a victory for the U.S. Constitution, Bill of Rights and "us white Christians."

Mayor Massell declined comment.

Meanwhile, stations around the state said they are

Stoner threatened to sue if the ads were taken off. His position was emboldened by the FCC ruling.

Stoner, a longtime avowed white racist, declares in the 60-second commercials, "The main reason why niggers want integration is because that niggers want our white women. . . . Stoner is one of 18 candidates for U.S. Senate in the Aug. 8 primaries.

A station manager in Augusta, where two stations are carrying the ads, said complaints have been hot and heavy.

"WHEN IT (the ad) goes on, the phone rings off the hook for 20 minutes after it," said Larry Fisher, sales manager for WRDW-TV.

In Atlanta, a spokesman for WPLO radio said complaints are running 99 per cent against Stoner's ads.

Don Heald, general manager of WSB-TV, said the station has received "considerable" response. Telephone calls, he said, come "in support of Stoner and there are more, I guess, insisting that we take the spot off" the air.

Heald said criticism and requests for cancellation of the ad evidently result from an inadequate understanding of federal law.

The NAACP and the Anti-Defamation League (ADL) had filed petitions seeking to modify regulations so that Stoner's words could be stricken.

Stoner said such a ruling would constitute a violation of his freedom of speech, and any station that takes him off the air will be sued.

BESIDES, HE ADDED, "I've been saying the same things for years and years in my speeches. Those are my honest opinions and views, and the voters have a right to know how I feel."

Stoner says he's spending between \$4,000 and \$5,000 for television time during the last few days of the campaign.

The commercials are being run on radio and television stations in Atlanta, Macon, Augusta, Columbus, Albany, Savannah and Chattanooga.

A spot check of several stations by The Atlanta Journal indicates that Stoner's estimate of television costs are somewhat low, but not too much out of line.

Stoner says he will spend less than \$12,000 for his entire campaign, and most of that is for television time. WSB-TV is using 21 spots at a total cost of \$2,900, Stoner said.

The campaign is being financed by \$10 and \$20 donations from "my friends," said Stoner, some of whom are members of the Ku Klux Klan.

56-4720-7

ENCLOSURE

-Continued

"All the Klan is supporting me," he said, "and some of them give me donations, but the Klan is not financing my campaign."

Earlier in the campaign, Stoner complied with a federal law and filed his campaign contributions and expenses with the secretary of state.

THE LAW requires further disclosures as the campaign progresses, but Stoner notified officials Tuesday that he will comply.

"The law is unconstitutional because it violates the U.S. Constitution (and) . . . discriminates against poor white candidates like me," he said.

Stoner said in the letter to the U.S. Senate, where the reports are being filed, that it would take a "CPA and a staff of bookkeepers to be able to comply with the act without unknowingly violating it. The act is a rich man's law . . ."

In his earlier report, Stoner listed \$3,866 in contributions and \$2,493.56 in expenditures through May 31.

He was due to file another report covering the period May 31-July 17 but sent the letter instead.

The Department has modified its request for investigation in this matter which was dated 3/22/74 as follows:

In the City of Atlanta, all radio and TV stations should be canvassed, as well as those in the Atlanta Metropolitan area.

With regard to the requested canvass of media stations in Macon, Augusta, Columbus, Albany, Savannah and Chattanooga, it will only be necessary to contact the TV stations as it is believed Stoner made principal use of TV rather than radio. Results of inquiries by AT, SV, and EX will then be reviewed by the Department, which expects to litigate this matter and at that time a decision will be made as to whether radio stations should also be canvassed.

Mr. GEORGE STEVENS, General Manager, WRCB-TV, Channel 3, ABC, 900 Whitehall Road, 267-5412, advised that he was not with WRCB-TV in August, 1972, and he has no personal knowledge of J. B. STONER.

Mr. STEVENS stated that his records disclose only one political ad that WRCB-TV has ever carried for J. B. STONER. He said that this was on September 7, 1970, and nine 30 second announcements were made in behalf of "STONER for Governor." This political ad was placed by the Stoner for Governor Committee, Savannah, Georgia. This ad was placed through the Rust Craft Corporation, parent company of WRCB-TV, and with their national representative, Katz Company, Atlanta, Georgia. This ad would have been handled by their representative, JACK BOLTON, Atlanta, Georgia, and he in turn would have notified WRCB-TV by TWX of the text, and this was the only contact the local station would have had in this matter.

Mr. STEVENS noted that the Stoner for Governor Committee, Savannah, Georgia, at that time consisted of ED A. FIELDS, JERRY W. RAY, and MRS. JANE COULD.

years in accordance with FCC regulations (AM, Section 73.120; FM, Section 73.290; TV, Section 73.657).

CERTIFICATION

The following certification must be made with respect to all time purchases by or on behalf of federal candi-
dates (also for state and local candidates in any state which has enacted campaign spending limitations pur-
suant to section 104(c) of the Federal Election Campaign Act of 1971):

I hereby certify that 100% of the total charges paid for the use of the time purchased above, including any
agent's commission allowed the agent by the station, will not violate the above-named candidate's permissible
limit of campaign spending under the provisions of Section 104(a) of the Federal Election Campaign Act of
1971. If I am not the above-named candidate, I further certify that I have given the station a written state-
ment signed by the above-named candidate authorizing me to make the foregoing certification in his behalf.

Date: July 27, 1972 J.B. Slawer
(Candidate, Supporter or Agent)

From the Communications Act of 1934, as amended by the Federal Election Campaign Act of 1971 (Campaign Communications Reform Act):

Section 312. (a) The Commission may revoke any station license or construction permit—

(7) for willful or repeated failure to allow reasonable access to or to permit purchase of reasonable amounts of time for the use of a broadcasting station by a legally qualified candidate for Federal elective office on behalf of his candidacy.

Section 315. (a) If any licensee shall permit any person who is a legally qualified candidate for any public office to use a broadcasting station, he shall afford equal opportunities to all other such candidates for that office in the use of such broadcasting station: *Provided*, That such licensee shall have no power of censorship over the material broadcast under the provisions of this section. No obligation is imposed under this subsection upon any licensee to allow the use of its station by any such candidate. Appearance by a legally qualified candidate on any—

(1) bona fide newscast,
(2) bona fide news interview,
(3) bona fide news documentary (if the appearance of the candidate is incidental to the presentation of the subject or subjects covered by the news documentary), or
(4) on-the-spot coverage of bona fide news events (including but not limited to political conventions and activities incidental thereto), shall not be deemed to be use of a broadcasting station within the meaning of this subsection. Nothing in the foregoing sentence shall be construed as relieving broadcasters, in connection with the presentation of newscasts, news interviews, news documentaries, and on-the-spot coverage of news events, from the obligation imposed upon them under this Act to operate in the public interest and to afford reasonable opportunity for the discussion of conflicting views on issues of public importance.

(b) The charges made for the use of any broadcasting station by any person who is a legally qualified candidate for any public office in connection with his campaign for nomination for election, or election, to such office shall not exceed—

(1) during the forty-five days preceding the date of a primary or primary runoff election and during the sixty days preceding the date of a general or special election in which such person is a candidate, the lowest unit charge of the station for the same class and amount of time for the same period; and

(2) at any other time, the charges made for comparable use of such station by other users thereof.

(c) No station licensee may make any charge for the use of such station by or on behalf of any legally qualified candidate for Federal elective office (or for nomination to such office) unless such candidate (or a person specifically authorized by such candidate in writing to do so) certifies to such licensee in writing that the payment of such charge will not violate any limitation specified in paragraph (1), (2), or (3) of section 104(a) of the Campaign Communications Reform Act, whichever paragraph is applicable.

(d) If a State by law and expressly—

(1) has provided that a primary or other election for any office of such State or of a political subdivision thereof is subject to this subsection,

(2) has specified a limitation upon total expenditures for the use of broadcasting stations on behalf of the candidacy of each legally qualified candidate in such election,

(3) has provided in any such law an unequivocal expression of intent to be bound by the provisions of this subsection, and

(4) has stipulated that the amount of such limitation shall not exceed the amount which would be determined for such election under section 104(a)(1)(B) or 104(a)(2)(B) (whichever is applicable) of the Campaign Communications Reform Act had such election been an election for a Federal elective office or nomination thereto,

then no station licensee may make any charge for the use of such station by or on behalf of any legally qualified candidate in such election unless such candidate (or a person specifically authorized by such candidate in writing to do so) certifies to such licensee in writing that the payment of such charge will not violate such State limitation.

(e) Whoever willfully and knowingly violates the provisions of subsection (c) or (d) of this section shall be punished by a fine of not to exceed \$5,000 or imprisonment for a period not to exceed five years, or both. The provisions of sections 501 through 503 of this Act shall not apply to violations of either such subsection.

(f) (1) For the purposes of this section:

(A) The term "broadcasting station" includes a community antenna television system.

(B) The terms "licensee" and "station licensee" when used with respect to a community antenna television system, mean the operator of such system.

(C) The term "Federal elective office" means the office of President of the United States, or of Senator or Representative in, or Resident Commissioner or Delegate to, the Congress of the United States.

(2) For purposes of subsections (c) and (d), the term "legally qualified candidate" means a person who (A) meets the qualifications prescribed by the applicable laws to hold the office for which he is a candidate and (B) is eligible under applicable State law to be voted for by the electorate directly or by means of delegates or electors.

(g) The Commission shall prescribe appropriate rules and regulations to carry out the provisions of this section.

From the Rules of the Commission Governing Radio Broadcast Services. (The foregoing Sections of the Communications Act govern any inconsistencies between the following rules and those Sections):

Section 73.120. Broadcasts by candidates for public office.

(a) Definitions. A "legally qualified candidate" means any person who has publicly announced that he is a candidate for nomination by a convention of a political party or for nomination or election in a primary, special, or general election, municipal, county, state or national, and who meets the qualifications prescribed by the applicable laws to hold the office for which he is a candidate, so that he may be voted for by the electorate directly or by means of delegates or electors, and who:

(1) has qualified for a place on the ballot or

(2) is eligible under the applicable law to be voted for by sticker, by writing in his name on the ballot, or by other method, and

(i) has been duly nominated by a political party which is commonly known and regarded as such, or

(ii) makes a substantial showing that he is a bona fide candidate for nomination or office, as the case may be.

(b) General requirements. No station licensee is required to permit the use of its facilities by any legally qualified candidate for public office, but if any licensee shall permit any such candidate to use its facilities, it shall afford equal opportunities to all other such candidates for that office to use such facilities: *Provided*, That such licensee shall have no power of censorship over the material broadcast by any such candidate.

(c) Rates and practices. (1) The rates, if any, charged all such candidates for the same office shall be uniform and shall not be rebated by any means direct or indirect. A candidate shall, in each case, be charged no more than the rate the station would charge if the candidate were a commercial advertiser whose advertising was directed to promoting its business within the same area as that encompassed by the particular office for which such person is a candidate. All discount privileges otherwise offered by a station to commercial advertisers shall be available upon equal terms to all candidates for public office. (2) In making time available to candidates for public office no licensee shall make any discrimination between candidates in charges, practices, regulations, facilities, or services for or in connection with the service rendered pursuant to this part, or make or give any preference to any candidate for public office or subject any such candidate to any prejudice or disadvantage; nor shall any licensee make any contract or other agreement which shall have the effect of permitting any legally qualified candidate for any public office to broadcast to the exclusion of other legally qualified candidates for the same public office.

(d) Records; inspection. Every licensee shall keep and permit public inspection of a complete record of all requests for broadcast time made by or on behalf of candidates for public office, together with an appropriate notation showing the disposition made by the licensee of such requests, and the charges made, if any, if request is granted. Such records shall be retained for a period of two years.

(e) Time of request. A request for equal opportunities must be submitted to the licensee within 1 week of the day on which the first prior use, giving rise to the right to equal opportunities, occurred: *Provided, however*, That where a person was not a candidate at the time of such first prior use, he shall submit his request within 1 week of the first subsequent use after he has become a legally qualified candidate for the office in question.

(f) Burden of proof. A candidate requesting such equal opportunities of the licensee, or complaining of non-compliance to the Commission shall have the burden of proving that he and his opponent are legally qualified candidates for the same public office. (Corresponding rules—FM, 73.290; TV, 73.657)

Section 73.112 Program Log:

(a) the following entries shall be made in the program log: * * *

(1) (v) An entry for each program presenting a political candidate, showing the name and political affiliation of such candidate. * * *

(2) (iii) An entry showing that the appropriate announcement(s) (sponsorship, furnishing material or services, etc.) have been made as required by Section 317 of the Communications Act and § 73.119. A check mark will suffice but shall be made in such a way as to indicate the matter to which it relates. * * *

(4) (ii) An entry for each announcement presenting a political candidate, showing the name and political affiliation of such candidate.

CONDITIONS

Approved by The National Association of Broadcasters

Such approval does not mean that any station is obligated to use this form or these conditions

THE ADVERTISER placing advertising covered by this contract and the STATION accepting this contract hereby agree that this contract shall be governed by the following conditions:

PAYMENT AND BILLING

Time. Payments are to be made by ADVERTISER under this contract on or before the fifteenth day of the month following that in which telecasting was done, unless otherwise provided on the face of this contract. The postmark date on the check containing payment, if such is properly addressed to STATION or its representative authorized to receive payment, shall be considered the date when payment was made unless otherwise stipulated.

Materiality. In all cases date of payment is material. Upon ADVERTISER'S failure to make timely payment STATION in its own discretion may discontinue further performance under this contract.

Right to Modify Terms of Payment. Upon reasonable belief of STATION that ADVERTISER'S credit has been impaired, STATION shall have the right to change terms of payment for further telecasts under this contract.

Advertiser Solely Liable. STATION agrees to hold ADVERTISER solely liable for payments to be made under this contract unless expressly otherwise provided on face of this contract.

Billing. STATION will bill ADVERTISER at monthly intervals unless otherwise provided on the face of this contract. STATION'S bills shall be in accordance with log, shall so state, and shall be deemed to be correct unless proved otherwise. STATION will furnish certificates of performance at time of billing if requested by ADVERTISER prior to that time.

TERMINATION

Telecasts of Five Minutes or More. Each telecast of five minutes or more duration shall be terminated by either party upon giving the other party twenty-eight (28) days written notice thereto, but no such termination shall be effective until thirteen weeks after the start of telecasting hereunder.

Telecasts of Less Than Five Minutes. Each telecast of less than five minutes duration may be terminated by either party upon giving the other party fourteen (14) days written notice, but no such termination shall be effective until four (4) weeks after the start of telecasting hereunder.

Effect of Termination. If ADVERTISER so terminates this contract, ADVERTISER shall pay STATION at earned rate for telecasts made or contracted for to and including the date of termination. If STATION so terminates this contract, and STATION ADVERTISER cannot agree on a satisfactory substitute day or time for continuance of telecasts covered by this contract at and rates on which this contract is made, ADVERTISER shall pay STATION for telecasts made to and including the date of termination without penalty of short rate; that is, ADVERTISER shall have benefit of the same discounts which it would have earned had it been allowed to complete the contract. In the event of termination hereunder, neither party shall be liable to the other party otherwise than as specified in this paragraph and in paragraph 9.

RENEWAL

Notice. The telecast time or times (including facilities) covered by this contract shall be renewed by ADVERTISER upon giving STATION twenty-eight (28) days written notice prior to the expiration of this contract or any extension thereof, provided, however, that insofar as this contract covers telecasts of less than five minutes duration, it may be renewed by giving fourteen (14) days written notice prior to such expiration.

Condition of Renewal. The right to renew upon notice specified by subparagraph above is subject to there having been no interruption in the continuity of telecasts under this contract due to action by ADVERTISER and to the provisions concerning rates and charges set forth in paragraph 7.

Such renewal may be terminated by either party upon giving the other twenty-eight (28) days written notice in the case of telecasts of five minutes or more duration; if the telecast is for less than five minutes duration, fourteen (14) days notice is required.

EFFECT OF BREACH

By Advertiser. STATION reserves the right to cancel this contract at any time in default by ADVERTISER in the payment of bills or other material breach of terms hereof. Upon such cancellation all charges for telecasting done hereunder not paid shall become immediately due and payable. If STATION cancels by reason of ADVERTISER'S material breach, ADVERTISER'S liability shall be to pay, as liquidated damages, a net sum equal to that which ADVERTISER would have been obligated to pay had it, as at the date of STATION'S cancellation, given notice of termination pursuant to paragraph 2 hereof.

By Station. In the event of a material breach by STATION in performing this contract, ADVERTISER reserves the right to cancel this contract at any time. If ADVERTISER cancels by reason of STATION'S material breach, STATION'S liability shall be limited to the payment, as liquidated damages, of a net sum equal to ADVERTISER'S actual non-cancelable live talent costs incurred by ADVERTISER for production of a live program (not filmed nor recorded) in the cancelled time, or the reasonable allocated print or rental cost of film or tape scheduled for the cancelled telecast and not usable for future scheduling, due to such breach. Provided, however, that STATION'S liability shall not exceed the time costs involved in the unexpired and non-cancelable portion of the contract; that is, STATION shall not be liable for any sum greater than the sum of time charges involved had STATION, as of the date of ADVERTISER'S cancellation, given notice of termination pursuant to paragraph 2 hereof, liability to telecast covered by paragraph 5 shall not be deemed a breach of this contract.

INABILITY TO TELECAST

Simultaneous Interruption of Aural and Visual Signals. If, due to public emergency or necessity, force majeure, restrictions imposed by law, Acts of God (whether or not such Acts of God have occurred frequently or habitually or are of a common or seasonal occurrence in the general locality of such telecasting), labor disputes, for any other cause, including, but not restricted to, mechanical breakdowns, beyond STATION'S control, STATION shall be unable to telecast due to simultaneous interruption of aural and visual signals, any program, announcement or a part of any program or announcement contracted to be telecast hereunder, STATION shall not be liable to ADVERTISER except to allow (1) a pro rata reduction in the time charges hereunder or (2) if an interruption occurs during the commercial announcement portion of any telecast, a credit to ADVERTISER in the same proportion to the time charges which the omitted commercial portion bears to the total commercial portion of the telecast, it being mutually agreed that STATION shall credit ADVERTISER on whichever basis is more favorable to ADVERTISER or upon the mutual agreement of both parties, a like telecast of the omitted performance at a satisfactory substitute day and time; however, if a substitute time for telecast of the omitted performance is not mutually agreed upon, and adjustment in additional STATION charges, if any, over and above time charges, shall be subject to negotiation; ADVERTISER shall have the benefit of the same discounts which it would have earned if the performance had not been omitted.

Interruption of Either Aural or Visual Signal. If the failure is of either the aural or visual signal, but not both, the amount of the adjustment to ADVERTISER shall be subject to negotiation.

SUBSTITUTION OF PROGRAMS OF PUBLIC SIGNIFICANCE

Conditions of substitution. In recognition of its responsibility as a licensee of the FCC to operate in the public interest, convenience and necessity, STATION shall

have the right to cancel any telecast or portion thereof covered by this contract in order to telecast any program which, in its absolute discretion, it deems to be of greater public significance. In any such case, STATION will notify ADVERTISER in advance if reasonably possible, but where such notice cannot reasonably be given, STATION will notify ADVERTISER within a reasonable time after such scheduled telecast, that ADVERTISER'S telecast has been cancelled.

(b) Adjustment. If ADVERTISER and STATION cannot agree upon a satisfactory substitute day and time, the telecast time so pre-empted shall be deemed cancelled without affecting the rates, discounts, or rights provided under this contract, except that ADVERTISER shall not have to pay for the cancelled STATION charges. However, in such case, if the program substituted by STATION is a sponsored program, STATION shall pay to ADVERTISER ADVERTISER'S actual non-cancelable live talent cost incurred by ADVERTISER for the production of a live program not telecast elsewhere (not filmed nor recorded) in the cancelled time, and the reasonable allocated print or rental cost of film or tape scheduled for the cancelled telecast and not usable for future scheduling, not to exceed the gross time charges (less earned time discounts) for the station time involved in the cancellation.

7. RATES AND CHARGES

(a) Rate Policy. STATION represents that the rate for time and facilities named in this contract is the rate made by STATION for like telecasts at the time this contract is executed. If at any time during the life of this contract STATION makes a lower rate for like telecasts, this contract shall be continued at such lower rate from the effective date of such lower rate.

(b) Rate Protection. Anything to the contrary notwithstanding in this contract or any other agreement between the parties, STATION reserves the right to increase any of the rates and charges set forth on the face hereof by public announcement of a new rate card, but no increase shall be applicable to telecasts under this contract or renewals thereof until six months from the effective date of such new rate card. The rate protection privilege is applicable only for telecast schedules contracted for prior to the effective date of the rate increase, provided that schedule is in effect or starts within thirty (30) days after the effective date of such increase. This protection prevails only so long as the telecasts hereunder continue without lapse of scheduled telecasts attributable to ADVERTISER.

8. PROGRAM PRODUCTION

(a) ADVERTISER'S Responsibility. Unless otherwise noted on the face of this contract, all program material, including talent and commercial announcements, shall be furnished by ADVERTISER, and all expenses connected with the delivery thereof to STATION and return therefrom, if so directed, shall be paid by ADVERTISER.

(b) Right to Substitute for Non-receipt. Should STATION fail to receive program material by at least 96 hours in advance of telecast, STATION may notify ADVERTISER by collect telegram, if the material has not been received by 72 hours in advance of telecast, and in the event that ADVERTISER has been so notified, STATION shall have the right to produce a substitute telecast and ADVERTISER will pay STATION for such telecast STATION'S regular charges for time and facilities and a reasonable charge for program and/or commercial announcement production, such production charge not to exceed the time charge.

(c) Approval of Material. Televised program and commercial announcement material produced by ADVERTISER is subject to STATION approval and STATION may exercise a continuing right to reject such material, including a right to reject for unsatisfactory technical quality. In addition, it is agreed that the STATION may reject for exhibition program material or commercial announcement material in its entirety which is contrary to STATION policy or to the provisions of the Television Code of the National Association of Broadcasters. In the event the material is unsatisfactory, STATION shall notify ADVERTISER by collect telegram, and, unless ADVERTISER furnishes satisfactory material by 72 hours in advance of telecast, STATION shall have the same right to produce a substitute telecast as under subparagraph (b) above.

9. TELECAST LIABILITIES

(a) Indemnification by Advertiser. ADVERTISER agrees to hold and save STATION harmless against any or all liability resulting from the telecast of programs or program material prepared, produced or furnished by ADVERTISER excepting such liability as may result from the telecast of ADVERTISER-produced telecasts of material furnished by STATION and musical compositions, the performance of which are licensed by a music licensing organization of which STATION is a licensee. ADVERTISER will furnish upon request a cue sheet of all music performed in the material furnished by ADVERTISER, specifying title of composition, author, copyright owner, publisher and broadcast licensee.

(b) Indemnification by STATION. STATION will hold and save ADVERTISER harmless against all such liability as STATION produced telecasts excepting only such liability as may result from the telecast of commercial credits, and other material furnished by ADVERTISER. In addition, STATION will hold and save ADVERTISER harmless with respect to material furnished by STATION for ADVERTISER-produced telecasts and the performance of musical compositions on ADVERTISER-produced telecasts provided the performances of such musical compositions are licensed for telecasting by a music licensing organization of which STATION is a licensee.

(c) The provisions of paragraphs 9(a) and 9(b) shall survive any cancellation or termination of this contract.

10. GENERAL

(a) Telecast Times. STATION will perform the telecasts covered by this contract on the days and approximate hourly times provided on the face of this contract. Time mentioned shall be that current at STATION. STATION may deduct from any period of five minutes or longer not more than thirty seconds for station-break purposes.

(b) Handling of Property and Mail. STATION shall exercise normal precautions, but shall assume no liability for loss of or damage to program material and other property furnished by ADVERTISER in connection with telecasts hereunder. STATION will not accept or process mail, correspondence, or telephone calls in connection with telecasts except after prior approval, and if so approved, at the sole risk of ADVERTISER and subject to reimbursements by ADVERTISER for all expense incurred.

(c) Assignment and Waiver. This contract, including the rights under it, may not be assigned or transferred without first obtaining the consent of STATION in writing; nor may STATION be required to telecast hereunder for the benefit of any other ADVERTISER than the one named on the face of this contract.

(d) Failure of STATION or of ADVERTISER to enforce any of the provisions herein listed with respect to a breach thereof, in any one instance shall not be construed as a general relinquishment or waiver as to that or any provisions and the same shall nevertheless be and remain in full force and effect.

(e) Legal Obligations. STATION'S obligations hereunder are subject to the terms and conditions of licenses held by it and by applicable federal, state, and local laws and regulations.

(f) No Oral Modification. This contract contains the entire agreement between the parties relating to the subject matter herein contained, and no change or modification of any of its terms and provisions shall be effective unless made in writing and signed by both parties.

11. ADVERTISER agrees to pay STATION all costs and expenses, including attorney fees, incurred by STATION in exercising any of its right or remedies hereunder or enforcing any of the terms, conditions, or provisions hereof.

MERRILL E. "TOMMY" THOMPSON, Vice-President and Secretary, WSAV and WEAV-TV, 1430 East Victory Drive, advised WSAV received a telephone call from J. B. STONER on July 17, 1972, inquiring about the 60-second and 5-minute availabilities between July 26, 1972, and August 7, 1972. On July 18, 1972, they sent him a letter listing the available times for 60-second and 5-minute talks beginning July 26, 1972.

On July 25, 1972, J. B. STONER appeared at WSAV bringing with him a piece of video tape. On that date he signed an agreement for thirteen 1-minute talks and one 5-minute talk beginning on July 26 ending August 7, 1972, for a total amount of \$553.82.

Mr. THOMPSON made available a contract showing that STONER paid for nine 1-minute talks between 5:00 and 6:00 PM on Wednesday, Thursday, Friday, Monday and Tuesday, at \$35.30 each; two 1-minute talks during the period 7:00 to 7:30 PM on Saturday at \$68.24 each; two 1-minute talks on Sunday between the hours of 1:00 and 3:30 PM at \$18.32 each and one 5-minute talk at \$42.00 each plus one dubbing charge at \$20.00. This contract was marked billed and paid July 26, 1972, by Check #93 on Stoner Campaign, signed by J. B. STONER.

The original amount on this contract as well as on the agreement form for political broadcast had been scratched through and the sum of \$553.82 inserted.

Mr. THOMPSON made available an electrostatic copy of the Standard Contract for Spot Telecasting and an agreement form for political broadcasts. Copies are being attached hereto.

He advised that Mr. HERBERT M. HUMPHREY, Sales Manager, would have to explain the reason why the total amount had been marked out and the figures \$553.82 written in on both forms.

THOMPSON said STONER supplied a piece of video tape which was kept for a while but has since been erased because the tape can be used again. He said STONER was not interested in radio spots.

HERBERT M. HUMPHRIS, Sales Manager, WSAV and WSAV-TV, 1430 East Victory Drive, examined the Standard Contract for Spot Telecasting dated July 25, 1972, issued to J. B. STONER and the Agreement Form for Political Broadcasts, also signed by J. B. STONER on July 25, 1972.

HUMPHRIS advised that J. B. STONER, accompanied by an unknown man came into his office the late afternoon of July 25, 1972. It is required that all political candidates pay in cash before any broadcasts are made for them. STONER paid him in cash in the amount of the contract, the original amount of which he does not recall. After STONER and his unknown companion, left the office the companion did some arithmetic on the contract and determined that WSAV had overcharged him. STONER and the man immediately returned to his office and he gave them back the entire amount in cash.

J. B. STONER returned personally to WSAV the following day and gave him a check in the amount of \$553.82 as indicated by the notation on the contract that he paid July 26, 1972, by Check #93 on the Stoner Campaign, signed by J. B. STONER.

JESS MOONEY, General Sales Manager, Savannah Broadcasting Company, operators of WTOG, WTOG FM and WTOG TV, 516 Abercorn Street, advised their station received a letter from the Stoner Campaign, 591 Cherokee Street, Marietta, Ga., dated July 7, 1972, suggesting that WTOG-TV should immediately give every candidate for the U. S. Senate in Georgia at least 30 minutes of free time. He asked to be advised as to how much free time WTOG TV would give to him and the other candidates before the Primary Election on August 8, 1972.

MOONEY replied on July 10, 1972, to Mr. STONER in Marietta, Ga., that WTOG-TV was not offering free time to any candidates but that they were making their facilities available to all legally qualified candidates for reasonable access and at their lowest unit rate prior to the August 8, 1972 Primary.

MOONEY said they received a telephone call from their representative in Atlanta, Ga., on July 25, 1972, through whom STONER ordered eight 60-second talks during the hours of 4:30 to 6:00 PM on Thursday, July 26, through Friday, July 28 and from Monday, July 31, through Friday, August 4, 1972, at \$16.00 each. He ordered one 1-minute talk at 2:30 PM on July 29, 1972, and one 1-minute talk at 5:30 PM on July 29, 1972, both at \$16.00 each. There was one dubbing charge of \$10.00 for a total of \$170. This amount was paid to their office in Atlanta on July 25, 1972, in accordance with their requirements that political ads be paid for before being aired.

MOONEY advised that the text of STONER's 1-minute talks was on a video tape which has since been erased inasmuch as tape can be used again.

MOONEY made available electrostatic copies of the Agreement Form For Political Broadcasts dated July 25, 1972, and a copy of Customer's Invoice #01581, both totaling \$170.00.

HERBERT GOLOMBECK, Station Manager, WPL0, 805 Peachtree, telephone 872-5851, was advised of the identity of the interviewing Agent and of the nature of the investigation being conducted.

GOLOMBECK stated that WPL0 is strictly a radio station.

GOLOMBECK stated that on July 31, 1972, J. B. STONER signed an agreement form for political broadcasts requesting 60 second commercials concerning political advertising to be run on WPL0 from August 1, 1972, to August 5, 1972.

GOLOMBECK stated that the total charges for this advertising were \$420 gross, but that due to the fact that STONER was not represented by a sales agent he was given a discount and therefore charged \$357. GOLOMBECK furnished the agreement form for political broadcasts dated July 31, 1972, from WPL0, along with the WPL0 Atlanta Service Memo dated July 31, 1972, and the cash receipts from WPL0 for August 4, 1972. The cash receipts form from radio station WPL0 dated August 4, 1972, shows a cash receipt from J. B. STONER for the amount of \$357 on the last line of that receipt form. A copy of these forms is attached.

GOLOMBECK stated that the text of the political ad run by J. B. STONER is on a tape and a review of the tape revealed the following text of the political advertisement from J. B. STONER.

"I am J. B. STONER. I am the only candidate for United States Senator who is for the white people. I am the only candidate who is against integration. All of the other candidates are race-mixers to one degree or another. I say we must repeal GAMBRELL's civil rights law. GAMBRELL's law takes jobs from us whites and gives those jobs to the niggers. The main reason why niggers want integration is because the niggers want our white women. I am for law and order with the knowledge that you cannot have law and order

Mrs. DOROTHY M. SERMONS, Executive Secretary to JAMES N. ARMISTEAD, Vice President and General Manager, WRDW-TV, 1301 Georgia Avenue, North Augusta, South Carolina, advised records of this station disclosed an order for a political advertisement from J. B. STONER, candidate for the United States Senate from Georgia, was received on July 21, 1972, from the station's advertising representative, Katz Agency, 100 Colony Avenue, Atlanta, Georgia. The order was originally placed with the Katz Agency on July 18, 1972, and called for one five minute announcement and five announcements of 60 seconds each per week during the period July 24, 1972, through August 7, 1972.

Mrs. SERMONS advised the five minute announcement was aired on July 24, 1972, and that the one minute spot announcements were aired on the following dates:

July 24, 1972
 July 25, 1972
 July 26, 1972
 July 27, 1972
 July 28, 1972
 July 31, 1972
 August 2, 1972
 August 3, 1972
 August 4, 1972 (two announcements)
 August 7, 1972

Mrs. SERMONS noted the cost for the above announcements was \$601.25, which would have been remitted by J. B. STONER to the Katz Agency, who in turn reimbursed WRDW-TV with a check drawn on the account of the Katz Agency which was received by WRDW-TV on July 26, 1972.

Mrs. SERMONS made available a copy of the text of the five minute announcement noted above. She stated she did not have a copy of the text of the one minutes announcements, however, these one minute announcements would have been taken from the contents of the five minute announcements.

Mrs. SERMONS also made available two documents, one entitled "Record of Request for Broadcast Time By or On Behalf of Candidate for Public Office" signed by JACK BOLTON, a salesman for Katz Agency; and the other entitled "Agreement From For Political Broadcasts" signed by J. B. STONER and LARRY FISCHER, former sales manager for WRDW-TV.

The above five minute announcement and the above two described documents are attached hereto.

Mrs. SERMONS noted the records of station WRDW-TV disclosed no further information pertinent to this matter.

GREETINGS WHITE PEOPLE, THIS IS J. B. STONER SPEAKING. I AM A CANDIDATE FOR THE DEMOCRATIC PRIMARY ELECTION OF AUGUST THE 8TH IN GEORGIA. I'M HAPPY TO BE HERE AND TO DISCUSS A FEW ISSUES WITH YOU TODAY. WE HAVE SOME SERIOUS ISSUES IN THE GEORGIA CAMPAIGN FOR UNITED STATES SENATE. I AM THE WHITE PEOPLES' CANDIDATE. I STAND FOR THE WHITE PEOPLE. I AM THE ONLY CANDIDATE WHO IS FOR THE WHITE PEOPLE AND I'M THE ONLY CANDIDATE WHO WILL EVEN SAY THAT HE IS FOR THE WHITE PEOPLE. I AM THE ONLY CANDIDATE FOR THE UNITED STATES SENATE IN GEORGIA WHO IS AGAINST RACE MIXING, AND THE ONLY SENATE CANDIDATE WHO IS AGAINST INTEGRATION, AND I AM THE ONLY CANDIDATE WHO WILL SAY HE IS AGAINST INTEGRATION AND RACE MIXING. NOW THERE ARE A NUMBER OF ITEMS LISTED IN MY PLATFORM....I HAVE A FAIRLY LONG PLATFORM, A COMPREHENSIVE PLATFORM. IF YOU WANT A COPY, PLEASE WRITE TO ME AT MARIETTA, GEORGIA. IT IS TOO LONG TO COVER IN FIVE MINUTES.

I AM OPPOSED TO RACE MIXING IN THE SCHOOLS BECAUSE RACE MIXING HAS DESTROYED EDUCATION. YOU CANNOT HAVE EDUCATION AND NIGGERS TOO. IT JUST HAS NOT WORKED. INTEGRATION HAS FAILED....NOT ONLY HAS INTEGRATION FAILED, IT IS IMMORAL AND IT HAS DESTROYED OUR EDUCATIONAL SYSTEM, AND IT IS TORTURE TO SEND OUR WHITE CHILDREN TO THE JUNGLE SCHOOLS. I ADVOCATE CUTTING OFF MONEY FOR BUSING. I THINK ALL THIS BUSING BUSINESS IS INSANITY, IT IS AN EXTENSION OF RACE MIXING INSANITY. RACE MIXING IS A VICIOUS FORM OF INSANITY AND WHEN IT IS EXTENDED TO OUR LITTLE CHILDREN AND TO BUSING IT BECOMES INSANITY BEYOND COMPREHENSION. I THINK THAT KIND OF LUNACY NEEDS TO BE STOPPED. I BELIEVE IN CUTTING OFF THE FEDERAL MONEY TO PAY FOR BUSING. IT IS VERY IMPORTANT TO CUT IT OFF. THERE ARE SOME SCHOOL SYSTEMS THAT ARE ABOUT OUT OF BUSINESS. THERE IS ONE SCHOOL SYSTEM JUST ACROSS THE BORDER IN TENNESSEE, JUST ACROSS THE BORDER FROM WALKER COUNTY IN TENNESSEE/CHATTANOOGA, IN CHATTANOOGA THE OFFICIALS ARE ACTUALLY CONTEMPLATING CLOSING DOWN THE SCHOOL SYSTEMS. NOT IN

J. B. STONER.

PROTEST TO INTEGRATION, BUT BECAUSE INTEGRATION HAS RUINED THE SCHOOL SYSTEM AND THEY ARE UNABLE TO CARRY IT ON ANY LONGER. THE SAME THING IS HAPPENING HERE IN AUGUSTA AND EVERYWHERE ELSE WHERE THEY HAVE INTEGRATION. THINGS NEED TO BE CHANGED. I AM FOR LAW AND ORDER. I AM THE ONLY CANDIDATE FOR LAW AND ORDER WHO DISCUSSES THE ISSUE THIS YEAR. ALL OF THE OTHER CANDIDATES IN THIS SENATE RACE DON'T MENTION LAW AND ORDER BECAUSE IF THEY DO SO THEY'LL LOSE ANY OPPORTUNITY TO GET THE NIGGER BLOCK VOTE. I AM FOR LAW AND ORDER WITH THE KNOWLEDGE THAT YOU CANNOT HAVE LAW AND ORDER AND NIGGERS TOO. WE MUST HAVE A COMPLETE SEPARATION OF THE RACES ONE WAY OR ANOTHER, AND UNTIL THAT TIME WE'RE GOING TO HAVE NOTHING BUT TROUBLE.

I ADVOCATE NO INCOME TAX FOR WORKING PEOPLE. THAT CAN BE DONE BY GIVING EVERY TAX-PAYER AN EXEMPTION OF TEN THOUSAND DOLLARS FOR HIMSELF AND THE SAME AMOUNT FOR EACH ONE OF HIS DEPENDENTS. THE PRESENT FEDERAL TAX SYSTEM IS WRONG AND IT NEEDS TO BE CHANGED. UNDER THE FEDERAL TAX SYSTEM THAT WE HAVE TODAY - WE WHITE WORKING PEOPLE ARE PENALIZED WITH TAXATION SO THAT WE CANNOT AFFORD CHILDREN, AND THEY TAKE OUR MONEY, OUR TAX MONEY, AND THEY PAY THE BLACKS TO BREED MORE BLACK ILLEGITMATES. NOW THAT IS IMMORAL AND IT IS WRONG. IT IS A GOOD IDEA FOR YOU TO ASK YOUR PREACHER WHY HE DOESN'T STAND UP AGAINST THAT KIND OF IMMORALITY - IN CASE HE DOESN'T STAND UP AGAINST IT.

NOW IN THE SENATE RACE - I AM RUNNING MAINLY AGAINST THE APPOINTED SENATOR, DAVID GAMBRELL. THE RICH MAN'S CANDIDATE. THE CANDIDATE OF THE BLACK BLOCK VOTE. THE CIVIL RIGHTS CANDIDATE. DAVID GAMBRELL IN 1972 VOTED FOR THE CIVIL RIGHTS EMPLOYMENT LAW.....BEFORE VOTING FOR IT HE VOTED TO CUT OFF A SOUTHERN FILLIBUSTER AND THEN TO VOTE IT THROUGH. THE CIVIL RIGHTS LAW MEANS THAT THEY'RE TAKING JOBS AWAY FROM US WHITES AND GIVING THEM TO THE NIGGERS regardless OF WHETHER THEY ARE COMPENTENT OR NO

J. B. STONER.

IT MEANS THAT EVERY BUSINESS AND EVERY POLICE DEPARTMENT AND FIRE DEPARTMENT MUST
HIRE THEIR QUOTA OF NIGGERS. I'M OPPOSED TO IT. I ADVOCATE THE REPEAL OF EVERY
CIVIL RIGHTS LAW INCLUDING THE CIVIL RIGHTS LAW PASSED AGAINST US WHITE PEOPLE BY
DAVID GAMBRELL.

I THANK YOU MY FELLOW WHITE FRIENDS.....

Date: 7-21-72 J.B. Stoner
(Candidate, Supporter or Agent)

From the Communications Act of 1934, as amended by the Federal Election Campaign Act of 1971 (Campaign Communications Reform Act):

Section 312. (a) The Commission may revoke a station license or construction permit—

(7) for willful or repeated failure to allow reasonable access to or to permit purchase of reasonable amounts of time for the use of a broadcasting station by a legally qualified candidate for Federal elective office on behalf of his candidacy.

Section 315. (a) If any licensee shall permit any person who is a legally qualified candidate for any public office to use a broadcasting station, he shall afford equal opportunities to all other such candidates for that office in the use of such broadcasting station: *Provided*, That such licensee shall have no power of censorship over the material broadcast under the provisions of this section. No obligation is imposed under this subsection upon any licensee to allow the use of its station by any such candidate. Appearance by a legally qualified candidate on any—

(1) bona fide newscast,
(2) bona fide news interview,
(3) bona fide news documentary (if the appearance of the candidate is incidental to the presentation of the subject or subjects covered by the news documentary), or
(4) on-the-spot coverage of bona fide news events (including but not limited to political conventions and activities incidental thereto), shall not be deemed to be use of a broadcasting station within the meaning of this subsection. Nothing in the foregoing sentence shall be construed as relieving broadcasters, in connection with the presentation of newscasts, news interviews, news documentaries, and on-the-spot coverage of news events, from the obligation imposed upon them under this Act to operate in the public interest and to afford reasonable opportunity for the discussion of conflicting views on issues of public importance.

(b) The charges made for the use of any broadcasting station by any person who is a legally qualified candidate for any public office in connection with his campaign for nomination for election, or election, to such office shall not exceed—

(1) during the forty-five days preceding the date of a primary or primary runoff election and during the sixty days preceding the date of a general or special election in which such person is a candidate, the lowest unit charge of the station for the same class and amount of time for the same period; and
(2) at any other time, the charges made for comparable use of such station by other users thereof.

(c) No station licensee may make any charge for the use of such station by or on behalf of any legally qualified candidate for Federal elective office (or for nomination to such office) unless such candidate (or a person specifically authorized by such candidate in writing to do so) certifies to such licensee in writing that the payment of such charge will not violate any limitation specified in paragraph (1), (2), or (3) of section 104(a) of the Campaign Communications Reform Act, whichever paragraph is applicable.

(d) If a State by law and expressly—

(1) has provided that a primary or other election for any office of such State or of a political subdivision thereof is subject to this subsection,
(2) has specified a limitation upon total expenditures for the use of broadcasting stations on behalf of the candidacy of each legally qualified candidate in such election,
(3) has provided in any such law an unequivocal expression of intent to be bound by the provisions of this subsection, and
(4) has stipulated that the amount of such limitation shall not exceed the amount which would be determined for such election under section 104(a)(1)(B) or 104(a)(2)(B) (whichever is applicable) of the Campaign Communications Reform Act had such election been an election for a Federal elective office or nomination thereto,

then no station licensee may make any charge for the use of such station by or on behalf of any legally qualified candidate in such election unless such candidate (or a person specifically authorized by such candidate in writing to do so) certifies to such licensee in writing that the payment of such charge will not violate such State limitation.

(e) Whoever willfully and knowingly violates the provisions of subsection (c) or (d) of this section shall be punished by a fine of not to exceed \$5,000 or imprisonment for a period not to exceed five years, or both. The provisions of sections 301 through 303 of this Act shall not apply to violations of either such subsection.

(f)(1) For the purposes of this section:

(A) The term "broadcasting station" includes a community antenna television system.

(B) The terms "licensee" and "station licensee" when used with respect to a community antenna television system, mean the operator of such system.

(C) The term "Federal elective office" means the office of President of the United States, or of Senator or Representative in, or Resident Commissioner or Delegate to, the Congress of the United States.

(2) For purposes of subsections (c) and (d), the term "legally qualified candidate" means any person who (A) meets the qualifications prescribed by the applicable laws to hold the office for which he is a candidate and (B) is eligible under applicable State law to be voted for by the electorate directly or by means of delegates or electors.
(g) The Commission shall prescribe appropriate rules and regulations to carry out the provisions of this section.

From the Rules of the Commission Governing Radio Broadcast Services. (The foregoing Sections of the Communications Act govern any inconsistencies between the following rules and those Sections):

Section 73.120. Broadcasts by candidates for public office.

(a) Definitions. A "legally qualified candidate" means any person who has publicly announced that he is a candidate for nomination by a convention of a political party or for nomination or election in a primary, special, or general election, municipal, county, state or national, and who meets the qualifications prescribed by the applicable laws to hold the office for which he is a candidate, so that he may be voted for by the electorate directly or by means of delegates or electors, and who:

(1) has qualified for a place on the ballot or
(2) is eligible under the applicable law to be voted for by sticker, by writing in his name on the ballot, or by other method, and
(i) has been duly nominated by a political party which is commonly known and regarded as such, or
(ii) makes a substantial showing that he is a bona fide candidate for nomination or office, as the case may be.

(b) General requirements. No station licensee is required to permit the use of its facilities by any legally qualified candidate for public office, but if any licensee shall permit any such candidate to use its facilities, it shall afford equal opportunities to all other such candidates for that office to use such facilities: *Provided*, That such licensee shall have no power of censorship over the material broadcast by any such candidate.

(c) Rates and practices. (1) The rates, if any, charged all such candidates for the same office shall be uniform and shall not be rebated by any means direct or indirect. A candidate shall, in each case, be charged no more than the rate the station would charge if the candidate were a commercial advertiser whose advertising was directed to promoting its business within the same area as that encompassed by the particular office for which such person is a candidate. All discount privileges otherwise offered by a station to commercial advertisers shall be available upon equal terms to all candidates for public office. (2) In making time available to candidates for public office no licensee shall make any discrimination between candidates in charges, practices, regulations, facilities, or services for or in connection with the service rendered pursuant to this part, or make or give any preference to any candidate for public office or subject any such candidate to any prejudice or disadvantage; nor shall any licensee make any contract or other agreement which shall have the effect of permitting any legally qualified candidate for any public office to broadcast to the exclusion of other legally qualified candidates for the same public office.

(d) Records; inspection. ROBERT H. WALTON, General Sales Manager, WRBL TV, Columbus Broadcasting Company, 1350 13th Avenue, Columbus, Georgia, furnished the following information:

On August 2, 1972, J. B. STONER, Candidate for the United States Senate, for the State of Georgia, made an application with this television station for four one-minute political broadcasts in connection with the Senatorial election of 1972 in which STONER was a candidate.

STONER made his application through the representative of WRBL-TV in Atlanta, Georgia. This authorized representative of WRBL-TV is the Katz Agency and STONER made his application August 2, 1972 at Atlanta, Georgia with the Katz Agency on a Form "Agreement Form for Political Broadcasts," which was later sent to Mr. WALTON by the Katz Agency for acceptance.

Records of WRBL-TV revealed that STONER agreed to make these political broadcasts on August 3, 1972 at 6:30 P.M.; August 4, 1972, 6:30 P. M.; August 5, 1972 at 7:30 and 9:30 P. M. and also August 7, 1972 at 6:30 P. M.

The total order for these political broadcasts amounted to \$255.00 which was paid to the Katz Agency in Atlanta, Georgia, payment being made in the form of a check, however, records of WRBL-TV do not reveal what type check was presented for payment for these political broadcasts.

WALTON made available the following documents which are attached:

Letter from ROBERT H. WALTON, dated April 9, 1974, certifying that the copies of documents that he has furnished are true copies of such documents.

A copy of the "Agreement for Political Broadcast," signed by J. B. STONER.

Re: Political Advertising of candidate J.B. Stoner

In connection with your current investigation of the campaign activities of the above named candidate for the U.S. Senate in the 1972 Democratic Primary we submit photostatic copies from our public files of the following items:

- (A) A teletype message from our Atlanta sales representative, The Katz Agency, notifying us that J.B. Stoner had placed an order with them and that they had received a check for payment and had completed the political agreement form.
- (B) A copy of the "Agreement for Political Broadcasts" signed by the candidate and indicating that he provided the advance payment.
- (C) A copy of the WRBL-TV "Start Order" which placed the commercials into our operating schedule.
- (D) The confirmation form from The Katz Agency.
- (E) A copy of the statements made by Mr. Stoner on the videotape he supplied to the station.

I personally handled this transaction for WRBL-TV and Mr. Stoner (after negotiating with The Katz Agency) made a personal trip to my office to deliver the tape.

In connection with this incident, WRBL-TV carried several news items as well as an editorial concerning the refusal of the Federal Communications Commission to halt the telecast of the candidates political announcements.

I certify that the copies attached hereto are true copies of the items described and have been in our public file since the 1972 primary.
